DEAR MADAN: The reputation of the Medical Discovery, in curing all kirds of humors, is so well established by the unanimous voice of all who have used it, that I need not say anything on the subject, as the most skilful physicians and the most careful druggists in the country are unanimous in its praise. In presenting the Medical Discovery to your notice, I do it with a full knowledge or its curative power, in relieving all and caring most of those disases to which you are unfortunately so liable. That most exercelating disease, a
